## Get critical insights into how your business is doing

Introducing an easy, automatic way for you to build budgets, forecast sales, and track performance. LivePlan dashboards provide the insights you need – without Excel or complex reports.

### Explore how the LivePlan app can work for you:

- **Know how you’re really doing** – compare your budget to actual results from QuickBooks
- **Produce impressive business plans** – and easily share with colleagues, investors, bankers, and advisors
- **Ditch frustrating spreadsheets** – get the budget, forecast and performance reports you need with a single click

Pitch, plan, and track your business. Anywhere.

Take a look through the features you could be using to improve the way you plan and measure your company’s financial success.
